21 APRIL 2020

SANDIACRE FIRE

Firefighters are currently dealing with a large fire at Springfield Mill on Bridge Street in Sandiacre.

Eight fire engines, two aerial ladder platforms, two water carriers and a control room unit have been mobilised following a call received at 16.23 hours.

Members of the public are being asked to avoid the area, remain indoors and keep windows and doors closed due to the smoke.

Firefighters from Ilkeston, Long Eaton, Nottingham Road, Clay Cross, Belper, Highfields (Nottinghamshire), Stockhill (Nottinghamshire), London Road (Nottinghamshire) and Loughborough (Leicestershire) are in attendance.

No further information is currently available.
