Q7 How could we improve our Business Fire Safety Visit service?

There were no improvement suggestions this quarter, but rather positive comments praising the service, or expressing no improvements are necessary, details below:-

- 'No improvements required'.
- 'It was perfect, officers very good at explaining things which are very important'.
- 'N/A'.
- 'Service was great'.
- 'The visit was a supportive, positive experience'.
- 'I cannot think of anything specific, but would like to say that the visits are very useful in helping us to maintain safe premises for our staff and residents. Having the chance to ask questions, go around the home and get advice is very helpful and can benefit both services'.
- 'We found the visit to be very informative and any information or advice given was reasonable and practical'.
- 'It's okay as it is'.
- 'This was a visit I requested because HIMO did their own fire inspection and asked for changes that the Fire Service had not requested. We all met up and the matter was resolved to everyone's satisfaction'.
